There is so much more to Rubbadubbadoo...

UNMOUNTED?

Now you have the choice, mounted or unmounted

Rubbadubbadoo now offer their entire stamp range unmounted, that means you can purchase them without the wooden block, which means you will receive your stamps cut to shape padded with the highest quality foam and super strong adhesive tape on the back.

There are several methods of stamping with unmounteds on the market already for you to choose from therefore to ensure we do not limit anyone, we simply supply them ready to fix to your own block permanently or you can remove the foam and apply your own fixing system - it's up to you! We also have a range of clear acrylic blocks that are designed to hold the majority of our Rubbadubbadoo images (see below).

When you order your unmounteds, simply use the normal code from the catalogue and place an uppercase 'UM' at the end of the code on you order form.

How does it all work?

The Rubbadubbadoo clear blocks are available in four sizes and are designed to accommodate practically every stamp we sell. If you are interested in using unmounteds regularly you may find it best to acquire all four blocks and then you will have your bases covered and will not have to think twice when ordering your unmounted stamps as to which block you will need to get.

If indoubt of which block you will need you can measure the design in the catalogue with a ruler and then compare those to the block sizes above; alternately the on-line catalogue at www.rubbadubbadoo.com also displays the size of each stamo in millimetres.

As displayed left you can see how you can mount a smaller stamp on the larger block by simply positioning it to one side or a corner. Easy, and the clear acrylic will allow you to see just where you a stamping the image on the card

BASIC STAMPING TECHNIQUES

This guide is intended to help those starting out in the wonderful world of Art Stamping with Rubbadubbadoo. The ideas and possibilities for using rubber stamps are endless and there is much information available. This is just a start. For further information about our products, please contact us.

Inking the stamp...

Most commonly, inkpads are used for applying ink to your rubber stamp. All the inkpads in our range have a raised foam or felt above the edges of their container, allowing you to move your stamp across the surface and ink a stamp of any size.

When inking your stamp, tap it gently onto the pad, ensuring that you use all areas of the inked surface otherwise some parts of the pad will dry out before others. You do not need to apply excess pressure with the stamp onto the pad. A repeated 'tapping' motion seems to work best. After inking, check the rubber surface to ensure that there is an adequate layer and even distribution of ink before stamping. Note that stamps require extra inking when being used for the first time.

If you find your stamped images are a little faint, you may need to press on the pad harder and more often to get more ink on the stamp or reink your inkpad. Different pad surfaces also affect the inking process. Pigment inks with foam pads require less pressure than dye inks that have felt pads.

The Marvey Brush Marker range can also be used to apply ink to your stamp. Paint the ink directly onto the rubber surface and the stamp your image. Because of the fine tipped pen, you can apply multi-colours to your stamp.

Stamping your image...

To stamp an image, hold the stamp securely by the sides and press firmly down onto a hard, flat surface. Do not rock the stamp or apply excess pressure. With bigger stamps press around the outside of the block with your fingers to ensure the entire image prints. The smaller the stamp, the less pressure it requires. As always, *practice makes perfect* as you learn the personality of each of your stamps.

Embossing...

This is a definite favourite in the world of stamping, creating raised, elegant impressions once associated only with professional printing.

First, stamp your image using either the Emboss-ink pad or the slow drying pigment inks. Pour embossing powder liberally over the wet image. Tip the surplus powder off the image onto a piece of folded scrap paper to be funnelled back into the container. At this point it may be useful to use a fine paintbrush to dust away excess grains of powder, which adhere to the paper. To minimise this, try to have clean hands and not 'finger' the paper too much before use (powder sticks to moisture from your fingers). Heat the image by holding it (image side up) above a toaster, face of an iron or electric hotplate, or with a Heat Tool or the Milwaukee Heat Gun. A paint-stripping gun is also suitable (but hairdryers do not get hot enough) As the powder melts, the image changes in appearance from grainy and dull to raised and shiny. *Beware* you can overcook your image, resulting in an appearance that is rather dull and flat. Watch the image carefully as it melts, you will soon learn when you have reached the optimum effect.

Adding Colour...

Stamps with large areas of solid rubber achieve most of their colour from the inking process. Outline images derive most of their colour from the colouring in process. Some tools include pencils, paints, Art Brush Pens, glitter glue and appliqué. When colouring in an inked image, colour pencils are ideal. If colouring with wetter mediums such as marker pens or paints, emboss your image first or stamps with waterproof inks such as Archival or Décor it to avoid inks running together. Marvey LePlume Markers are a favourite tool of stampers for colouring images. With care the colours can be blended together, especially with the help of the Blender Pen.

Positioning Images...

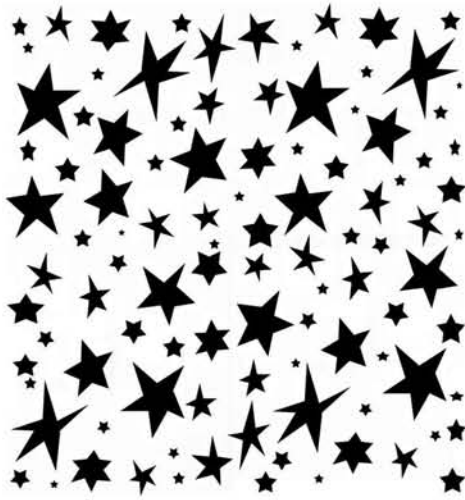

The Stamp Positioner is an L shaped device giving the stampers total control in positioning an image, such as getting script images straight on the project. Align a piece of tracing paper or clear acrylic sheet into the right angle of the Positioner. Stamp onto the tracing paper (pref using Dye Ink) by placing the corner of the stamp block into the corner of the Positioner.

Move the transparent paper onto your project and place your image exactly where you want it. Hold the tracing paper in place and slide the positioner back onto the corner of the paper. Remove the tracing paper. Holding the positioner firmly, stamp your image in the corner as before, using the ink of your choice.

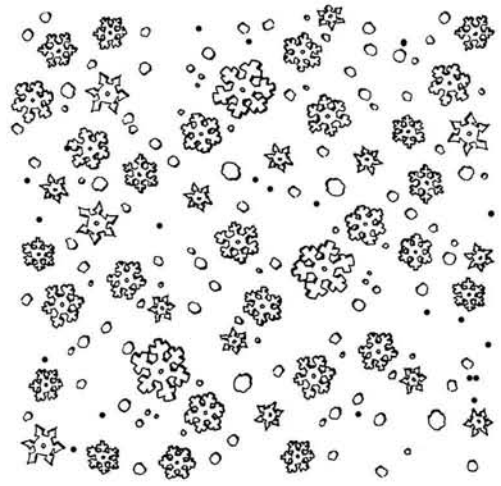

Masking...

Stampers use masking to show one image sitting behind another, to add backgrounds, and to partially stamp an image. To create an illusion of depth by making one image sit behind another, stamp the foreground image first. On a scrap piece of paper stamp it again, then cut it out, taking care to cut slightly inside the outlines of the image. Post it notes with their sticky sections are great for making masks. Position the cut out image exactly over the previously stamped foreground picture to 'mask' it. Stamp the background partially on top and to the side of the first. Remove the mask and see the effect. Use the mask to protect the image when creating the backgrounds with sponges, sprays, etc. Many designs can be neatly joined to create flowing borders by placing a mask over the joining end and overlapping the ends slightly.

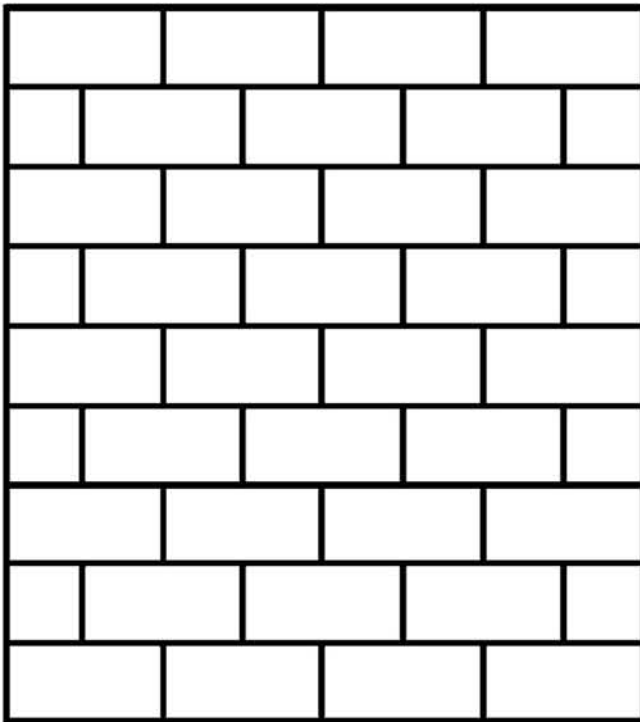

Clean your stamps before changing colours by pressing onto a wet dish sponge until clean. Dry with a paper towel. Use Stamp Cleaner on permanent inks or just to preserve your stamps.

To Miss S.

Oh this heart shall be thine till another shall sigh,
And breathe forth his soul on thy white heaving breast
Till love for another shall speak in thine eye,
Till another shall sink on thy bosom to rest.
But Oh, if that bosom shall still receive for me
And that smile, so endearing, shall never depart—
Still faithful, thy white heaving bosom shall be
The rest of my soul and the home of my heart

BOBBED-HAIRED BANDIT CONFESSES

CAPT. SUBVERTER, BEAUFORT BAKER'S BROTHER

Beaufort Baker, 37-year-old, shown here with Capt. Elmer H. Summers, of the Jeffersonville, Ind., 1st division, and Prosecuting Attorney James L. Butler, has confessed to the murder of Frank Mark, prominent Louisville, Ky., sportsman and society diver, in a lonely road, where he was held up and shot by Jesse Martin, of Shelby, and Harry Johnson, New Albany tank driver. Martin and Johnson were arrested. Mark, after being at the point of death, has recovered, but he was not granted to his automobile and drove a mile to the farmhouse, where he collapsed.

MYSTERY VESSEL RAMS FREIGHTER IN HEAVY FOG

Ship Now Aground in Half Moon Bay

(By United Service)

SAN FRANCISCO, Nov. 10.—The freighter *Basta Cerilla*, northbound, was rammed at 7:30 tonight by an unidentified vessel off Point Menares, 25 miles south of the Golden Gate, and is now aground on the sand bar in Half Moon bay. Her No. 1 hold is full of water.

The freighter was struck upward. A big fog enveloped the coast at the time of the collision, according to radio advice. A Red Star tug has left San Francisco to render assistance to the disabled craft.

HOMECOMING DAY IS BIG EVENT AT POLYTECHNIC

Fresno Teachers' College Defeats Poly by Score of 22-6

Homecoming Day at the California Polytechnic school has proved the biggest event it was intended to be. It has done more than attract old graduates to the school and furnish a day and night of entertainment. The accomplishments of the school's graduates has furnished fresh inspiration to those now attending the school, while the hold in their old alma mater has re-awakened the interest of the graduates in the institution and caused them to go back to their homes doubly boosted for Poly.

Registration yesterday morning showed that a large number of Polytechnic graduates had returned for the eve of the day. In the afternoon there was the football game between the Poly team and the Fresno State Teachers' College, and in the evening the Alumni banquet and ball.

The game.

The Polytechnic school went down to defeat yesterday afternoon on the Poly field, in their game against the Fresno State Teachers' college, the score of the match being 22-6. The Poly boys played a good, hard game, but were outclassed.

Fresno made two of her touchdowns in intercepted passes, running from 40 to 60 yards for a touchdown. The rest of their points they made on field goals, having a good kicker.

Poly played a better game of football, continually holding Fresno and forcing them to punt. Lumley and Gilliam were two of the outstanding players for Poly. The rest of the team did some of its best playing yesterday and deserve a great deal of credit.

There was a large crowd to witness the game and a large rooting section. The Fresno team finished over for the dance last night.

The banquet.

The Alumni banquet was held at 6 o'clock at the Poly dining hall, and was attended by over eighty, including the Alumni, the faculty and the football team. William Shilper acted as toastmaster. Faculty members who attended were Dr. and Mrs. H. R. Crandall, Coach and Mrs. A. F. Agass, Captain and Mrs. J. C. Deert and Miss Margaret Chase.

Last evening, after the banquet, a homecoming ball was given by the students of the school in honor of the Alumni Association.

Among the most former Poly students attending Homecoming Day yesterday were: Gladys Birtz, '17; Alvin Heston, '17; Dorothy Miller, '24; George Elliot, '23; J. H. Proust, '12; Ernest Holgren, '21; Homer McCabe,

Miss Kathleen Kersling, of Wichita, Kansas, at the age of sixteen, will make her operatic debut at Merced in some next March. For four years she has studied under Miss Emma Caves, famous French soprano, and for two years she has lived in the singer's castle in France. Miss Kersling will wear the same costume worn by Miss Caves in the same role. She is now on a short visit to her parents in Kansas, and will return to France in December.

ELIEVE SLAYER WAS HIDDEN IN APARTMENTS

(By United Service)

LOS ANGELES, Nov. 10.—The person who murdered Harry Katz, young speed breker and musician, last Sunday night in the Ambassador apartments, was arrested in an apartment in the house and probably kept during the excitement that ensued.

This is the newest theory evolved by police and county detectives, but they were annoyed after the chase from custody of Dorothy Carroll, Katz's sweetheart; Chase Carroll, or Hubert, from whom she is separated; and Earl Bridson, a roommate of Carroll.

Last Survivor of Merimac Fight Passes Away

WASHINGTON, Nov. 10.—Captain Henry H. Marmaduke, the only known surviving officer of the Confederate ironclad *Merimac*, died at his home here today at the age of 83 years.

Captain Marmaduke commanded a gun on the *Merimac* when it engaged in its historic battle with the *Monitor* at the mouth of the Chesapeake Bay, after the Confederate craft had sunk a score or more of the wooden vessels of the Union fleet.

MRS. HARDING IS MUCH IMPROVED

(By United Service)

MARION, O., Nov. 10 (Sunday).—Mrs. Harding was resting comfortably at midnight. Dr. Carl W. Sawyer, her physician, announced.

Her condition was slightly more favorable than a few hours before. His bulletin stated Mrs. Harding was resting comfortably and was stronger and more cheerful.

WOMEN OF U. S. TO BE MOBILIZED IN NEXT WAR

(By United Service)

WASHINGTON, Nov. 10.—Mobilization of women in the next war will be along carefully pre-arranged lines, according to plans now being worked out by the War Department.

Creation of a Women's Reserve Corps, corresponding to the Officers' Reserve Corps, carried that its members will be assigned to non-combatant service, in the object of the department's efforts.

This step, it is believed, will have the effect of releasing from industrial activities for service in the army and navy a large number of men whose places would immediately be filled by trained members of the women's reserve.

NEWEST U. S. WARSHIP STARTS ON LAST TRIP

(By United Service)

PHILADELPHIA, Nov. 10.—The U. S. S. *Washington* left here today on her last ocean voyage.

The great steel hull on which more than \$10,000,000 had been expended when she was 18 per cent finished, was hoisted to sea by the navy sea-going tug.

Without power of her own or ballast, the huge steel that had been designed to be one of the greatest craft afloat, was towed, and the tug had their work cut out for them as they swung her down the river on the rapidly abating tide.

The last in sinking the *Washington* will be made about 50 miles off Cape Henry, Va. Three broadside from the huge guns of the navy and air boats will be poured into her.

Stamp Obl

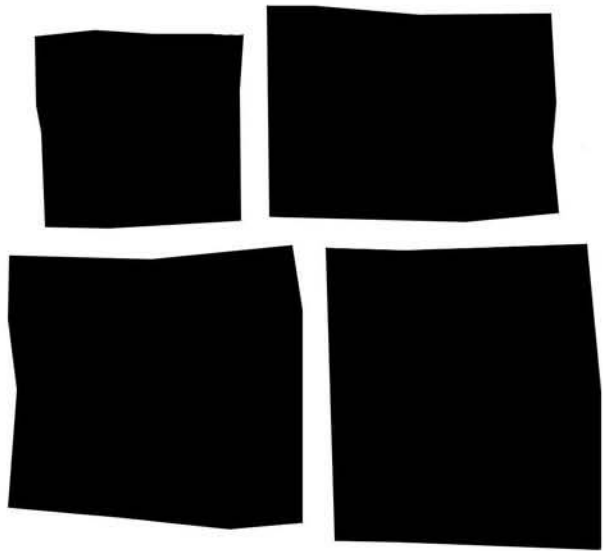

Reverse Stamps are designed to help you get an opposite image from your favorite stamp. You simply ink up your stamp as usual and then press it evenly against the surface of the Reverse Block. This will give you a mirror image of the original stamp. Then stamp the reverse block onto your card or page and 'walah' there you have it. **Make sure you clean your reverse stamp well after using it!**

*Little girls have special ways,
 A soft and golden glow,
 A dainty air and tender touch,
 A grace that angels know -
 They use their charms
 like tiny keys
 To open every heart,
 And seem to know just how
 to weave
 Their magic from the start!*

*Dear little Baby,
 Waking, sleeping,
 May you be safe
 Within God's keeping;
 May He bless
 Your parents too,
 For their tender love
 And care of you.*

*There are so many cherished keepsakes
From a couple's wedding day -
The photographs, the wedding gown,
So carefully put away,
A wedding invitation,
And a flower gently pressed -
But always there's one keepsake
Far more treasured than the rest,
That keepsake doesn't wilt or fade,
But just becomes more dear -
For it's a love that just grows deeper
Every passing year.*

And every lovely blossom
Is the symbol of a year
Filled with special happiness

The Amazing Magnetic Message System from Rubbadubbadoo

STICK 'N' STAMP

Every occasion needs a different message. But very few stampers are able to have a vast collection of different message stamps, especially those which will only get limited use. Most stampers encounter the following problems:

- Never having the right message stamp for the occasion, and not wanting to outlay a large amount of money to get them.
- Getting tired of the stamps they have, and not being able to vary them.
- Lack of space because of too many stamps, and not being able to find the correct one when needed.

We have the solution!!! The amazing **Stick 'n Stamp** from Rubbadubbadoo. This Multi Message system is the breakthrough for every serious stamper.

STEP 1:

Choose your word combination.

STEP 2:

Stick the stamp dies to the mounting block (sold separately) using the unique magnetic system.

STEP 3:

Ink your stamp and print your image. A huge number of different word combinations are possible with the Stick 'n Stamp system, yet only one mounting block is required.

All of the sets shown on this page are Small sized sets and shown at 45% actual size.

STICK 'N STAMP

The Stick 'n Stamp range are a unique magnetic mounting system. All of the sets have a strong magnet backing and have been die cut for ease of use and storage. They are designed to be used with the Stick 'n Stamp block range which can be found in the coloured pages of your catalogue. The large Stick 'n Stamp block (SNS-BL) will cater to the majority of these kits.

Footprints

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand, one belonged to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I noticed that during the troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The Lord replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

Exhortations to praise God

I say, more than they that watch for the morning.

7 Let Israel hope in the LORD; for with the LORD there is mercy, and with him is plenteous redemption.
 8 And he shall redeem Israel from all his iniquities.

509 **PSALM 131**

A Song of degrees of David.

LORD, my heart is not haughty, nor mine eyes lofty: neither do I exercise myself in great matters, or in things too high for me.

2 Surely I have behaved and quieted myself, as a child that is weaned of his mother: my soul is even as a weaned child.

3 Let Israel hope in the LORD from henceforth and for ever.

510 **PSALM 132**

A Song of degrees.

LORD, remember David, and all his afflictions:

2 How he swore unto the LORD, and vowed unto the mighty God of Jacob;

3 Surely I will not come into the tabernacle of my house, nor go up into my bed;

4 I will not give sleep to mine eyes, or slumber to mine eyelids.

5 Until I find out a place for the LORD, an habitation for the mighty God of Jacob.

6 Lo, we heard of it at Eph'ra-tah: we found it in the fields of the wood.

7 We will go into his tabernacles: we will worship at his footstool.

8 Arise, O LORD, into thy rest; thou, and the ark of thy strength.

9 Let thy priests be clothed with righteousness; and let thy saints shout for joy.

10 For thy servant David's sake turn not away the face of thine anointed.

11 The LORD hath sworn in truth unto David; he will not turn from it: Of the fruit of thy body will I set upon thy throne.

12 If thy children will keep my covenant and my testimony that I shall teach them, their children shall also sit upon thy throne for evermore.

13 For the LORD hath chosen Zion; he hath desired it for his habitation.

14 This is my rest for ever: here will I dwell; for I have desired it.

15 I will abundantly bless her provision: I will satisfy her poor with bread,

PSALMS, 131-135

16 I will also clothe her priests with salvation: and her saints shall shout aloud for joy.

17 There will I make the horn of David to bud: I have ordained a lamp for mine anointed.

18 His enemies will I clothe with shame: but upon himself shall his crown flourish.

611 **PSALM 133**

A Song of degrees.

BEHOLD, how good and how pleasant it is for brethren to dwell together in unity!

2 It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments;

3 As the dew of Her'mon, and as the dew that descended upon the mountains of Zion: for there the LORD commanded the blessing, even life for evermore.

612 **PSALM 134**

A Song of degrees.

BEHOLD, bless ye the LORD, all ye servants of the LORD, which by night stand in the house of the LORD.

2 Lift up your hands in the sanctuary, and bless the LORD.

3 The LORD that made heaven and earth bless thee out of Zion.

613 **PSALM 135**

PRAISE ye the LORD. Praise ye the name of the LORD; praise him, O ye servants of the LORD.

2 Ye that stand in the house of the LORD, in the courts of the house of our God,

3 Praise the LORD; for the LORD is good: sing praises unto his name; for it is pleasant.

4 For the LORD hath chosen Jacob unto himself, and Israel for his peculiar treasure.

5 For I know that the LORD is great, and that our Lord is above all gods.

6 Whatsoever the LORD pleased, that did he in heaven, and in earth, in the seas, and all deep places.

7 He causeth the vapours to ascend from the ends of the earth; he maketh lightnings for the rain; he bringeth the wind out of his treasures.

8 Who smote the firstborn of Egypt, both of man and beast.

9 Who sent tokens and wonders into the midst of thee, O Egypt, upon Pharaoh, and upon all his servants.

B265S Stained Glass 3

broken pieces

Rubbadubbadoo has been given the use of this delightful collection of scripture images designed by Judith Deverell to create an exclusive range of Christian art stamps. The illustrations were drawn by Judith during a period of her life where she journeyed through darkness and suffering, relying on the grace of God and His Word for her encouragement. These offerings were never designed for profit and we intend to honor that principle. Rubbadubbadoo will be using the retail portion of the profit from this collection to donate to local and global causes that we feel could benefit from the generosity of others. Thanks for supporting the Broken Pieces project and we hope the blessings created with these stamps are felt far and wide.
